Total credits required for MUEP degree **47.0 or 48.0**

* PUP 576 is normally offered in the Spring; PUP 520 is normally offered in the Fall. The schedule will be swapped during Academic Year 2018-2019 only. Plan accordingly for future semesters.

Core Requirements

The listed classes are required and cannot be waived or substituted, with the exception of PUP 576. PUP 576 may be waived with ample GIS experience. Submit the *Course Waiver* form to check for waiver eligibility. A substitute course for PUP 576 may be chosen from the *Approved Method Courses* list.

Electives

Any graduate level GCU, GIS, GPH, or PUP course may be taken as elective. Interdisciplinary courses may be taken, but must be approved by the department if they are not on the *Approved MUEP Electives* list. Submit the *Petition for Transfer or Interdisciplinary Elective Courses* form to request approval. Electives may be taken at any time; the outline above is a guideline for distributing enrollment equitably throughout four semesters. A maximum of 6.0 credits of 400-level elective coursework may be included on the plan of study but must be approved by the MUEP Director.

Culminating Experience

Culminating experience options are a traditional capstone PUP 580 Planning Workshop (5.0 credits), a professional project PUP 593 Applied Project (5.0 credits), or a thesis PUP 599 Thesis (6.0 credits).

Time to Completion

The MUEP degree is designed to be completed in two years, with a minimum 12.0 credit hours taken per semester (Fall and Spring enrollment only). Fewer hours may be taken but will prolong the time to degree completion.
