¹ Students have the option to move their graduate year start term to summer, provided that all undergraduate degree requirements are met and the bachelor's degree is conferred in spring. In this case, students may take up to 6.0 elective credits during the summer and reduce the course load in the graduate year to 15.0 credits in fall and 14.0 or 15.0 credits in spring. Students wishing to make this change must contact graduate advising at sgsup.gradadvising@asu.edu.

* Refer to *Approved MUEP Electives List* for approved electives. A maximum of 6.0 credits 400-level coursework may be taken as electives after starting the graduate program. 400-level coursework taken during the senior year is **not** eligible to be applied toward the MUEP degree.

** Refer to *Approved Method Courses* list for approved methods electives.

*** Culminating experience options are a traditional capstone PUP 580 Planning Workshop (5.0 credits), a professional project PUP 593 Applied Project (5.0 credits), or a thesis PUP 599 Thesis (6.0 credits).
