

Career Navigator

Geography, GIS and Urban Planning Career Fest

Wednesday, Oct. 30, 2019
Arizona State University's Memorial Union

2:00 - 3:00 pm: Lightning Talks

3:00 - 5:00 pm: Career Fest

We'd like students in all phases of their education -- from high school through graduate studies -- to know about the diverse career opportunities that grow from degrees in Geography, GIS and Urban Planning.

Here's an opportunity to share your career experiences and advise students on how they can prepare themselves for a career in your field.

You may make a connection with a future intern or employee, especially from the advanced students! This is also a great opportunity to network with fellow professionals from dozens of Arizona-based agencies, companies and organizations.

No fee to host a table - Validated parking provided (Up to 2 spaces per organization)

Would you like to host a table at the Career Fest, from 3:00 - 5:00 pm?

Please RSVP at <http://sgsup.asu.edu/cn2019>
