

# Town of Taylor – Graduate Student Project Assistant (Remote opportunity)

## **About the Organization:**

The Town of Taylor resides in Navajo County in northeast Arizona. It has a population of 4,321. The Town has experienced sustained growth of less than 2% for many years. In response to the sustained growth, the Town is preparing plans for future growth and taking measures to improve and expand its infrastructure according to its financial limitations.

## **Project Description and Overview:**

The project is to complete a master plotting of 150+ acres owned by the Town near the airport. The land is zoned light industrial. The existing master plat needs to be updated to include the utility improvements completed by the previous developer and flood mitigation work completed by the Town.

## **Start and End Dates**

10/15/2021 through 2/15/2022

## **Hours per week**

10 hours per week

## **Compensation**

\$15 an hour

## **Location**

Fully remote but the Town of Taylor will help with travel expense if the candidate would like to visit the project site.

## **Responsibilities Include:**

- Review the existing material
- Incorporate the current planning standards
- Create a new master plat

**Applicants can submit their resumes to Joseph Jarvis at [Joseph@tayloraz.org](mailto:Joseph@tayloraz.org) for review.**
