Vitalyst Health Foundation Intern Responsibilities

Vitalyst Health Foundation (vitalysthealth.org), a public foundation focused on improving the health of Arizonans, is looking for talented individuals with an interest in non-profit management, health-related policy work and/or community development to serve as an intern. Interns can serve throughout the year. This temporary, full time, paid opportunity ($12/hour for undergraduates, $15/hour for graduates), and hours of work are negotiable. The intern would ideally be based in the Phoenix area.

Application deadline for Summer 2020 internship is February 21. Application deadline for Fall 2020 internship is April 3.

Vitalyst’s Priorities:
1. Access to care and coverage - from beginning to end we all benefit from a healthcare system that’s designed to produce health.
2. Healthy Community Design - health is created where we live, learn, work and play.
3. Community Capacity Building - skilled, adaptive and resilient leaders are crucial catalyst for organizations and coalitions.
4. Transformative Grantmaking - policies and systems are transformed for the better by aligning insightful partners and taking significant risks.
5. Civic Participation - inclusive decision-making advances health equity.

For more information on our priorities, please visit our website at www.VitalystHealth.org.

Core Responsibilities
• Assist with research on best practices throughout the United States relating to health policy, health workforce, community development, healthy community design, nonprofit capacity building and a variety of other subjects such as community paramedicine and collective impact.
• Assist in preparing policy primers on health-related and community development topics
• Work with federal, state and local partners to organize and convene groups to discuss innovations and best practices
• Promote distribution of our messages through earned and social media
• Assist with webinars, convenings and presentations related to the policy work

Skills We Are Looking For:
• Project/Program management including managing timelines, competing priorities and coordinating activities
• Experience with research and synthesis of content across health-related topics
• Event planning experience
• Clear communication one-on-one and in small groups
• Effective organizational and time-management skills
• Comfortable working collaboratively with multiple organizations and a variety of people
• Concise and clear writing skills

A CATALYST FOR COMMUNITY HEALTH

602.385.6500 www.vitalysthealth.org 2929 N Central Ave, Suite 1550, Phoenix Arizona 85012
• Social media experience
• Website experience (i.e. WordPress)

Qualifications:
• Completed or currently pursuing a bachelor’s degree in a related field (e.g. public
  health, non-profit management, public/healthcare administration, health policy, etc.)
• Master’s degree candidates preferred

Interns will gain experience in: Developing communications, outreach and marketing strategies
and techniques research, Review and analysis of public policies, Researching and preparing
presentations and publications, and Experience with event public relations, event management
and collaborative initiatives.

Training will include website development, social media management, presentation
opportunities with feedback, research and analysis for publication writing, as well as public
policy review and advocacy.

The Program Coordinator will serve as the primary supervisor with regular oversight by the
CEO. Interns will have the opportunity to work with all members of the leadership team.

If you are interested in applying:
Please submit your resume, as well as a cover letter that addresses the following questions
(150-character limit per question):

1. What do you hope to learn from this internship?
2. How will your past experiences enable you to contribute to Vitalyst’s work?
3. In the future, what role do you see yourself serving in the broadly defined health sector?

Additionally, you should indicate in the cover letter what internship period you are interested in
applying for: summer, fall, spring.

Vitalyst Health Foundation is committed to diversity and to equal opportunity employment.
